BENEFITS

Pre-Retirement Topics

Membership

SPTRFA membership is mandatory upon employment in any position requiring a license issued by the MN Professional Educator Licensing and Standards Board for employment with Saint Paul Public Schools (SPPS), St. Paul College (if employed prior to July 1, 1995), or St. Paul Charter Schools (employed from July 1, 1995 through June 30, 2002). Hereinafter collectively referred to as "Saint Paul Schools."

Allowable Retirement Service Credit

A full year of retirement service credit is earned after 170 days are worked during each fiscal year. Partial years are calculated based on the ratio of days worked to 170 days. No more than one year of retirement service credit is allowable during any fiscal year.

Definition of Salary

Minnesota Statutes Chapter 354A and the Association Articles and Bylaws define salary as the entire compensation upon which member contributions are required and made.

Refund of Contributions

Coordinated and Basic members who resign from St. Paul Schools may apply for a refund of employee contributions, plus applicable interest. Basic Plan members must be either under Age 55 or ineligible for a pension to receive a refund of contributions.

Repaying a Refund of Contributions

A member who received a refund may reinstate previous retirement service credit by repaying the amount refunded plus applicable interest. Such repayments may only be made after the member has accumulated at least two years of allowable retirement service credit since the last refund was taken.

Leaves of Absence

Subject to certain requirements, members may purchase retirement service credit for the following Saint Paul Schools approved leaves of absence: Sabbatical, Military, Parental, Mobility, Medical, and Family Medical.

Service Payments

Members may repay refunds or purchase SPTRFA retirement service credit by using personal savings or by transferring money from their Roth IRA or tax-sheltered retirement accounts, such as 403(b), 457, 401(k), IRAs, or from another plan qualified under 401(a).

Beneficiary

A beneficiary is the person or persons designated to receive a refund of employee contributions, plus applicable interest, upon the death of the member if no survivor or family benefit is payable. If no valid beneficiary designation form is on file for a member, a refund of contributions plus applicable interest will be paid to the member's estate.

Marriage Dissolution

Minnesota Statutes Chapter 518 covers marriage dissolutions and requires that SPTRFA receive a copy of the petition and summons, including a copy of the affidavit of service, before any information may be released. In the event that a court order requires a division of pension benefits, a certified judge signed copy of a decree or domestic relations order is required. All inquiries are kept confidential.

Disability Benefit

Subject to certain requirements, a disability benefit is available to vested members who become totally and permanently disabled.

Retirement Topics

| Basic Plan Retirement Options Coordinated Plan Retirement Options | | Basic Plan members receive a formula benefit payable for life. An automatic spousal survivor benefit is also provided. This survivor benefit coverage does not cause a reduction in the member's benefit but does terminate at any dissolution of marriage. At the time of retirement, Coordinated Plan members select one of the five benefit annuity options below: | | | | |
|--|--------------------------|--|--|--|--|--|
| C1 | Member Life Only | Monthly benefit payable for life to the member, with nothing payable after the member's death | | | | |
| C2 | Guaranteed Refund | Reduced monthly benefit payable for life to the member. In exchange for the member's benefit reduction, after the member's death, SPTRFA pays a refund to a designated beneficiary. The refund is equal to the difference between SPTRFA pre- retirement member contributions less cumulative SPTRFA post-retirement benefits paid to the member prior to death. | | | | |
| C3 | 15-Year Certain | Reduced monthly benefit payable for life to the member. In exchange for the member's benefit reduction, SPTRFA continues monthly payments to a beneficiary if the member's death occurs within 15 years after retirement. Beneficiary payments end after the balance of the 15 years of SPTRFA benefit payments (member and beneficiary combined) is fulfilled. | | | | |
| C4 | 100% Joint & Survivor | Reduced monthly benefit payable for life to the member. In exchange for the member's benefit reduction, after the member's death, the member's spouse receives the same monthly benefit for life. If the spouse predeceases the member, the member's benefit would bounceback to the full, unreduced benefit amount payable under the C1 option. | | | | |
| C5 | 50% Joint & Survivor | Reduced monthly benefit payable for life to the member. In exchange for the member's benefit reduction, after the member's death, the member's spouse receives 50% of the member's benefit as a monthly benefit for life. If the spouse predeceases the member, the member's benefit would bounceback to the full, unreduced benefit amount payable under the C1 option. | | | | |

Post-Retirement Topics

Post-Retirement SPPS Reemployment*

If a retired member is reemployed by SPPS prior to Social Security Normal Retirement Age, their SPTRFA monthly benefits will be reduced if the retired member earns more than \$46,000 from SPPS in any calendar year. The following year's pension will be reduced by one dollar for every three dollars in SPPS earnings over \$46,000, with the amount of the reduction forfeited to SPTRFA. After Social Security Normal Retirement Age, retired members have no SPPS re-employment earnings limitation. Retired members can work for any other employer without a reduction in their SPTRFA pension benefits.

90 Day Period of Separation

Newly retired members must have a complete and continuous 90-day separation from Saint Paul Schools employment in any form. Importantly, "employment" for this purpose includes "any service provided to Saint Paul Schools directly, as an independent contractor, or as an employee of an independent contractor."

Post-Retirement Adjustment

Post-retirement adjustments are determined annually under Minnesota statutes, which may be amended from time to time. Post-retirement adjustments for members in retirement for at least a full year are currently 1.0%

The postretirement benefit increase applies to each eligible member on January 1 of each year. Members in retirement payment status for at least one full year will receive the full increase noted above. Members in retirement payment status after January 1st but on or before July 1st of the preceding year will receive one-half of the full increase.

^{*} The \$46,000 earnings limitation is suspended temporarily and does not apply to retired educators' SPPS earnings in calendar years 2022-2027 that would otherwise affect annuity payments in calendar years 2023-2028.
